Location: Bombay Exhibition Centre (NESCO), Hall 4, Goregaon (E), Mumbai, India

Organized By: KNC Services in collaboration with the [Jewellery Machinery Association \(JMA\) Forum](#)

Mumbai, February 16, 2026: Event Overview

The **Jewellery Machinery & Allied India International Expo (JMAIE) 2026** concluded as a landmark event, solidifying its position as India's premier standalone international jewellery machinery expo. Held from **February 12th to 15th, 2026**, the 5th edition saw a historic turnout that exceeded all previous records in scale and industry participation.

The expo acted as a critical bridge for technological gaps in the trade, attracting 6400+ **serious trade visitors**. Organized by KNC Services, led by founder Ms. Kranti Nagvekar, and supported by the JMA Forum under Chairman Mr. Naresh Balani, the event successfully showcased India's transition into a global leader for manufacturing innovation.

The **inauguration ceremony** featured **Mr. Pramod Kumar Agrawal** (Chairman of NGJCI & Derewala Industries Ltd.) as Chief Guest. Guests of Honour included **Mr. Milind Barapatre** (Director/Head of Office, [MSME DFO Mumbai](#)), **Mr. Pankaj Kumar Jagawat** (MD, Shanti Gold International Ltd), and **Mr. Michael Chiles** (MD, Goodwin Refractory Services India Pvt. Ltd).

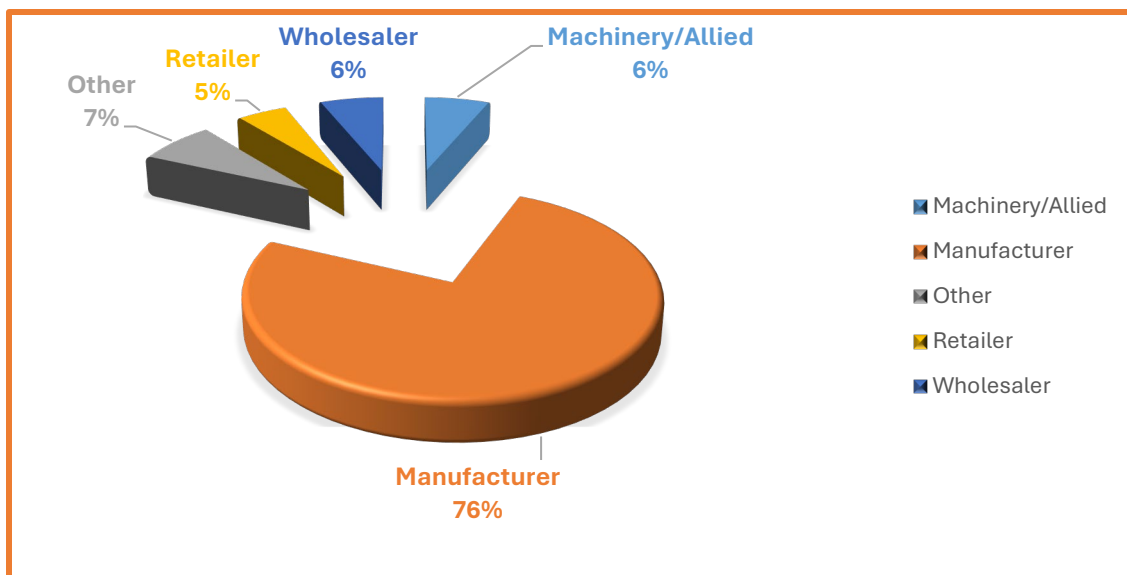

MSME support:

This edition JMAIIE was very special , as its has received formal acknowledgement from MSME [Ministry of Micro, Small & Medium Enterprises \(MSME\)](#). This Is a milestone in the success journey of JMAIIE. Since its First Editon, JMAIIE is aiming towards putting the “Make in India “initiative on the global platform. The MSME support will help our domestic jewelry machinery manufacturers to showcase their products, which are at par with their international counterparts.

Key Highlights

- **Record-Breaking Footfall:** Hosted over **6400 hard-core trade visitors** from across India and the global fraternity.

- **Expanded Showcase:** Featured over **500+ booths** and **400+ leading exhibitors**, presenting the largest concentration of jewellery manufacturing technology in the region.
- **B2B Meeting** was the Highlights of this edition. Focused B2B meeting took place during this edition. KNC took an extra effort to connect the exhibitors to their “wish-list“ buyers.
- **Global Participation:** Exhibitors from **8 different countries** participated, fostering international B2B collaborations and highlighting "Make in India" machinery to a world-class audience.
- **Technological Launches:** The floor saw live demonstrations of next-gen solutions, including advanced **3D printing**, CNC laser cutting, smart tech, and high-performance gold chain manufacturing machines.
- **Economic Impact:** The exhibition facilitated millions in business transactions, underscoring its role as a vital commercial catalyst for the sector.

Industry Impact & Future Trends

JMAIIE 2026 set a powerful tone for the year, focusing on **automation, digitization, and precision engineering**. The emphasis on "smart manufacturing" resonated with attendees, providing a roadmap for increasing efficiency and production quality in the global market.

Looking Ahead: JMAIIE 2027

Following the unprecedented success of the 5th edition, the countdown has already begun for **JMAIIE 2027**.

- **Proposed Dates:** February 18–21, 2027
- **Venue:** **HALL 4 -Bombay Exhibition Centre (NESCO)**, Goregaon (E), Mumbai

Gratitude & Acknowledgment

The organizing committee extends its deepest gratitude to JMA Forum for all the support they have extended over the years to make JMAIIE a success. All the associations who were instrumental in conducting all the roadshows and promotional drives in various cities across India.

A special mention of AFEMO, **Association of Jewellery Machinery Manufacturers and Exporters** (Associazione Fabbrikanti Esportatori Macchine per Oreficeria) for extending their support, an added feather in our cap. Our “thank you” note can not be complete without mentioning GRS (Goodwin Refractory Services India Pvt. Ltd.) who has been our platinum sponsor since our first edition.

Thank you to all exhibitors, partners, and the global jewellery community. We look forward to seeing you at JMAIIE 2027 to continue shaping the future of jewellery manufacturing together!
