about KNC SERVICES

KNC Services, founded in **2014** by **Ms. Kranti Nagvekar**, is a prominent organization in the jewelry and machinery exhibition industry, marking a significant influence both in India and internationally. Ms. Nagvekar, a notable figure as the only female entrepreneur in this sector, has expanded KNC's reach into strategic domestic markets such as Kolkata, Kerala, Odisha, and Mumbai, which attract a diverse group of international buyers.

KNC's recent expansion into Saudi Arabia, Dubai, and Bangladesh has strengthened its role in promoting Indian gems and jewelry on the global stage. By organizing business-to-business (B2B) exhibitions, the company fosters trade connections, helping Indian artisans and manufacturers showcase their products to new regions. Through these exhibitions, KNC plays a crucial part in elevating the global perception of Indian craftsmanship and bolstering exports, particularly to high-demand markets like the UAE and Saudi Arabia.

As a member of the National Gem & Jewellery Council of India (NGJCI) under the Ministry of Commerce & Industry, KNC is committed to

advancing India's trade interests internationally. The company's exhibitions showcase India-made gems and jewelry, strengthening India's position as a global leader in jewelry manufacturing and export. KNC's efforts not only support the Indian economy but also reinforce its position in global jewelry markets, making KNC a key contributor to India's international trade and economic relationships.

DIMAE 3.0

The 3rd edition of B2B - **Dubai International Jewellery Machinery and Allied Expo** will be held at the **Millennium Airport Hotel, Dubai, from 2nd to 4th May 2025**, situated in the heart of the UAE.

DIMAE 3.0 aims to reform the jewelry manufacturing sector by embracing technological advancements, fostering industry growth, and celebrating the timeless artistry of jewelry craftsmanship

founder's MESSAGE

Ms. Kranti Nagvekar

Founder, KNC Services

Dear Exhibitors, Visitors, and Industry Professionals,

It is with great enthusiasm that I welcome you to the Dubai Machinery & Allied International Exhibition 2025, an exhibition that celebrates innovation, technology, and excellence in the machinery and equipment industry.

This exhibition serves as a premier platform for showcasing the latest advancements, fostering business collaborations, and driving growth across the sector. With an exceptional lineup of exhibitors, cutting-edge technologies, and opportunities for networking, we are confident this exhibition will inspire new possibilities and strengthen industry connections.

Dubai, a global hub for trade and innovation, provides the perfect setting for this gathering of pioneers and professionals. Our team has worked diligently to curate an experience that not only highlights the best in machinery but also opens doors to new partnerships and opportunities.

Thank you for being a part of this transformative journey. We look forward to welcoming you to the Dubai Machinery Exhibition and creating a memorable experience together!

objective

To promote jewelry manufacturing in the Middle East through advanced machinery, tools, and technology. DIMAE 3.0 provides a platform where precision meets craftsmanship, uniting machinery providers and jewelry manufacturers to shape the future of the industry.

highlights

A Global Hub for Innovation:

Dubai, as a global crossroads, is the ideal venue to showcase the latest innovations in jewelry machinery, redefining the art of jewelry-making

Hands-On Experience:

Experience live demonstrations of state-of-the-art machinery, showcasing how these tools can transform jewelry production with precision and efficiency.

Unparalleled Social Networking:

This event brings together jewelry professionals, designers, manufacturers, and suppliers from around the world, offering a unique opportunity to expand networks, share ideas, and foster collaborations.

Supplier Showcase:

Discover a wide range of suppliers offering top-quality materials, machinery, and services tailored to the jewelry manufacturing sector. Build valuable partnerships and enhance sourcing strategies.

WHY participate?

YOUR TECHNOLOGY DESERVES THE SPOTLIGHT

Market Expansion:

Dubai is a gateway to international markets, making it the perfect location for manufacturers to showcase their machinery and tap into new opportunities with customers, distributors, and partners across the Middle East, Asia, Europe, and beyond.

Product Launches:

Introduce your latest machinery, technology, or product lines to a focused and interested audience. Generate excitement and gain visibility for your innovations.

Global Exposure:

Build brand recognition on a global scale, driving international sales and establishing meaningful partnerships.

Live Demonstrations:

Highlight the performance, precision, and capabilities of your machinery through live demonstrations that captivate potential buyers and give your business a competitive edge.

"WHERE INNOVATION MEETS ELEGANCE: STIMULATE YOUR JEWELRY BUSINESS"

DIMAE 3.0 provides unparalleled opportunities for jewelry manufacturers to stay ahead in a competitive market.

Valuable Insights and Connections: Gain critical knowledge and connect with industry leaders to improve operations and increase competitiveness.

Exclusive Access to Suppliers: Meet machinery suppliers directly, evaluate their offerings, and negotiate deals for better pricing and terms.

Global Perspective: Engage with exhibitors and attendees from around the world, gaining insights into the latest trends and advancements in jewelry manufacturing.

Explore Innovation: Witness cutting-edge technologies that can redefine your business processes, improving quality and efficiency.

GLOBAL SHOWCASE: JEWELLERY MACHINERY FROM AROUND THE WORLD

DIMAE 3.0 is a global platform celebrating the diversity and significance of the jewelry manufacturing industry. Cutting-edge machinery and traditional craftsmanship techniques will be showcased by exhibitors from:

• India • Italy • Germany • China • Thailand • Turkey • Switzerland
