DUBAI INTERNATIONAL JEWELLERY MACHINERY  
& ALLIED PRODUCTS EXPO

2•3•4 MAY 2025

MILLENNIUM AIRPORT HOTEL, DUBAI

# about

## DIMAE EDITION 3

The **3rd Edition of DIMAE**, (Dubai International Jewellery Machinery and Allied Expo) will be held at Millennium Airport Hotel in Dubai on **May 2,3 & 4th 2025**, right in the heart of UAE.

**DIMAE 3.0** is all geared up to transform the jewellery manufacturing sector by leveraging technological innovation and supporting the growth of the industry, while celebrating the rich traditions of jewellery craftsmanship.

## “One World One Exhibition”

By bringing together cutting-edge equipment and tools from around the globe , this exhibition aims to introduce innovations that can elevate the quality and efficiency of jewellery production. This provides all the jewellery manufactures an access to a diverse range of materials, machinery, and services. This enhances their sourcing options and supports the growth of the jewellery sector.

## Aim of the exhibition

To promote Middle East region jewellery manufacturing with advance machinery tools and technology. We aim to bring precision to craftsmanship by creating a platform where Jewellery machinery and Jewellery manufacturers can unite to shape the Jewellery industry.

# key feature

## Key Feature

**A Global Hub for Innovation:** Dubai, at the crossroads of the world, is the perfect backdrop for showcasing the latest innovations in jewellery machinery. Expect to witness cutting-edge technology that will redefine how jewellery is crafted

**Hands-On Experience:** Prepare to be wowed by live demonstrations of state-of-the-art machinery. See how these tools and technology can elevate your jewellery production and set new standards for quality and precision.

**Unparalleled Social Networking:** This exhibition will bring together jewellery professionals, designers, manufacturers, and suppliers from across the globe. It's an unmatched opportunity to expand your network, exchange ideas, and foster collaborations.

**Supplier Showcase:** Explore a diverse range of suppliers offering materials, machinery, and services tailored to the jewellery manufacturing sector. Discover new suppliers, source quality materials, and forge strategic partnerships.

# why visit?

## **Where innovation meets elegance, and your jewellery business deserves nothing but the best!"**

This exhibition provides valuable insights, connections, and opportunities for jewellery manufacturers to improve their operations and competitiveness in the market. The manufactures can witness live demonstration of various machines from across the world.

It's an opportunity to meet machinery suppliers face-to-face, evaluate their products, and negotiate deals. This can lead to better pricing and terms for equipment procurement.

Interact with exhibitors and attendees from around the world, gaining a global perspective on the jewellery manufacturing industry.

The exhibition is conducted at a prime venue, experience the professional hospitality at a Star property in Dubai.

# glimpses

## GLIMPSES 2024

# testimonials

DIMAE is the only jewellery machinery show of its kind in U.A.E. UAE and India share a special trade relationship and the aim of this show is in line with it. There are participants from major jewellery markets such as India, turkey, Italy, China. Finding all the major players of the industry under one roof helps in bridging the gaps between the global jewellery machinery market. I Wish all the best to KNC for their future endeavors.

**Mr. K Kalimuthu - Consul General, Dubai**

We have witnessed genuine buyers from the GCC countries, those who want to upscale their businesses with the innovative technologies which are displayed at this exhibition. This fantastic show is the need of the hour. Congratulations Ms. Kranti and team KNC for curating such an amazing show. All the best!

**Mr. Ashok Kumar Jain (CMD) - Laxmi jewellery, Chennai , Visitor**

We have participated in all the past editions of DIMAE. The footfall was always up to our expectations. We are happy with the quality of the buyers they have invited. We have generated potential enquiries through the exhibition. We wish all the best to Team KNC, may this exhibition get bigger with every passing year. Thank you .

**Mr. Ravi Malviya (Director) - Ravi Malviya Industries, Exhibitor**

We have been part of both the editions of DIMAE. During both the shows we have generated good business leads. Being a B2B show we can meet the manufacturers in person and they can physically see the machines which they want to invest in. KNC has invited genuine buyers hence it's a very productive investment for us. Dubai being a commercial Centre we got good international exposure under one roof. Thank you KNC!

**Mr. Hiren Padia (Partner) - OM Automation, Exhibitor**

Congratulations team KNC for hosting such an amazing exhibition. This is an actual need of the hour. The jewellery manufacturer have to upsize their skills and take advantage of new technologies. Exhibitions like DIMAE make them aware of the technological changes, helping them with the betterment of their products. We welcome all the participants and visitors to Dubai. I am sure everyone will be benefited from this show. Thank you.

**Mr. Chandu Siroya - Chairman, Siroya Group LLC, Dubai. Visitor**

It's a fantastic experience. Ms. Kranti the founder, is very passionate and committed professional. KNC makes sure there is good Footfall at the show. The show is organized very well. The team has worked very hard towards the success of the show. Looking forward to participate in their future shows. Last but not the least the hospitality was great. Thank you.

**Mr. Gautam Tiwari - Innovista Technologies, Turkey, Exhibitor**

We have been associated with DIMAE since their first edition. It's a great exhibition. We had an opportunity to meet our existing clients in person and were happy to meet potential clients from the GCC countries, especially Saudi Arabia, Kuwait, Qatar . We are happy to be part of DIMAE and looking forward for next year with more global visitors. Thank you
