DUBAI INTERNATIONAL JEWELLERY MACHINERY
& ALLIED PRODUCTS EXPO

MILLENIUM AIRPORT HOTEL

SUPPORTING ASSOCIATIONS

ABOUT THE EVENT

The **2nd edition of B2B - Dubai International Jewellery Machinery and Allied Expo** will be held at Millenium Airport Hotel in Dubai on June 8-10, 2024, right in the heart of UAE.

DIMAE 2.0 is all geared towards transforming the jewelry manufacturing sector by leveraging technological innovation and supporting the growth of the industry, all while celebrating the rich traditions of jewelry craftsmanship.

“DIVERSE NATIONS, ONE EXHIBITION: JEWELLERY MACHINERY WORLDWIDE”

By bringing together cutting-edge equipment and tools, this exhibition aims to introduce innovations that can elevate the quality and efficiency of jewelry production, by providing jewelry manufacturers with access to a diverse range of materials, machinery, and services. This enhances their sourcing options and supports the growth of the sector.

AIM OF THE EXHIBITION

To promote Middle East region jewelry manufacturing with advance machinery tools and technology. We aim to bring precision to craftsmanship by creating a platform where machinery and Jewellery manufacturers can unite to shape the Jewellery industry

KEY FEATURES

A Global Hub for Innovation: Dubai, at the crossroads of the world, is the perfect backdrop for showcasing the latest innovations in jewelry machinery. Expect to witness cutting-edge technology that will redefine how jewelry is crafted.

Unparalleled Social Networking: This exhibition will bring together jewelry professionals, designers, manufacturers, and suppliers from across the globe. It's an unmatched opportunity to expand your network, exchange ideas, and foster collaborations.

Hands-On Experience: Prepare to be wowed by live demonstrations of state-of-the-art machinery. See how these tools and technology can elevate your jewelry production and set new standards for quality and precision.

Supplier Showcase: Explore a diverse range of suppliers offering materials, machinery, and services tailored to the jewelry manufacturing sector. Discover new suppliers, source quality materials, and forge strategic partnerships.

WHY EXHIBIT ?

YOUR TECHNOLOGY DESERVES THE SPOTLIGHT.

Market Expansion: Dubai serves as a gateway to international markets, making it an ideal location for manufacturers to showcase their machinery. Participating can open doors to new customers, distributors, and partners from the Middle East, Asia, Europe, and beyond.

Product Launch: This expo provides an ideal platform to launch new machinery, technologies, or product lines. Manufacturers can unveil innovations to a targeted audience, generating buzz and interest in their offerings

Global Exposure: Gain global exposure and build brand recognition, increasing the international sales and partnerships.

Networking Opportunities: an opportunity to network with key players in the jewelry manufacturing sector, fostering valuable connections and collaborations

Demonstrations: Live demonstrations of machinery in action can highlight the performance, precision, and capabilities of the equipment. This hands-on experience can attract potential buyers and provide a competitive edge.

WHY VISIT ?

**WHERE INNOVATION MEETS ELEGANCE,
AND YOUR JEWELRY BUSINESS DESERVES
NOTHING BUT THE BEST!"**

This exhibition provides valuable insights, connections, and opportunities for jewelry manufacturers to improve their operations and competitiveness in the market.

It's an opportunity to meet machinery suppliers face-to-face, evaluate their products, and negotiate deals. This can lead to better pricing and terms for equipment procurement.

Interact with exhibitors and attendees from around the world, gaining a global perspective on the jewelry manufacturing industry.

GLOBAL SHOWCASE: JEWELLERY MACHINERY FROM AROUND THE WORLD

This international event is a testament to the global reach and significance of the jewelry manufacturing industry. Various countries will exhibit cutting-edge machinery and traditional craftsmanship techniques. Exhibitors will come from

• **India** • **Italy** • **Germany** • **China** • **Thailand** • **Turkey** • **Switzerland**
